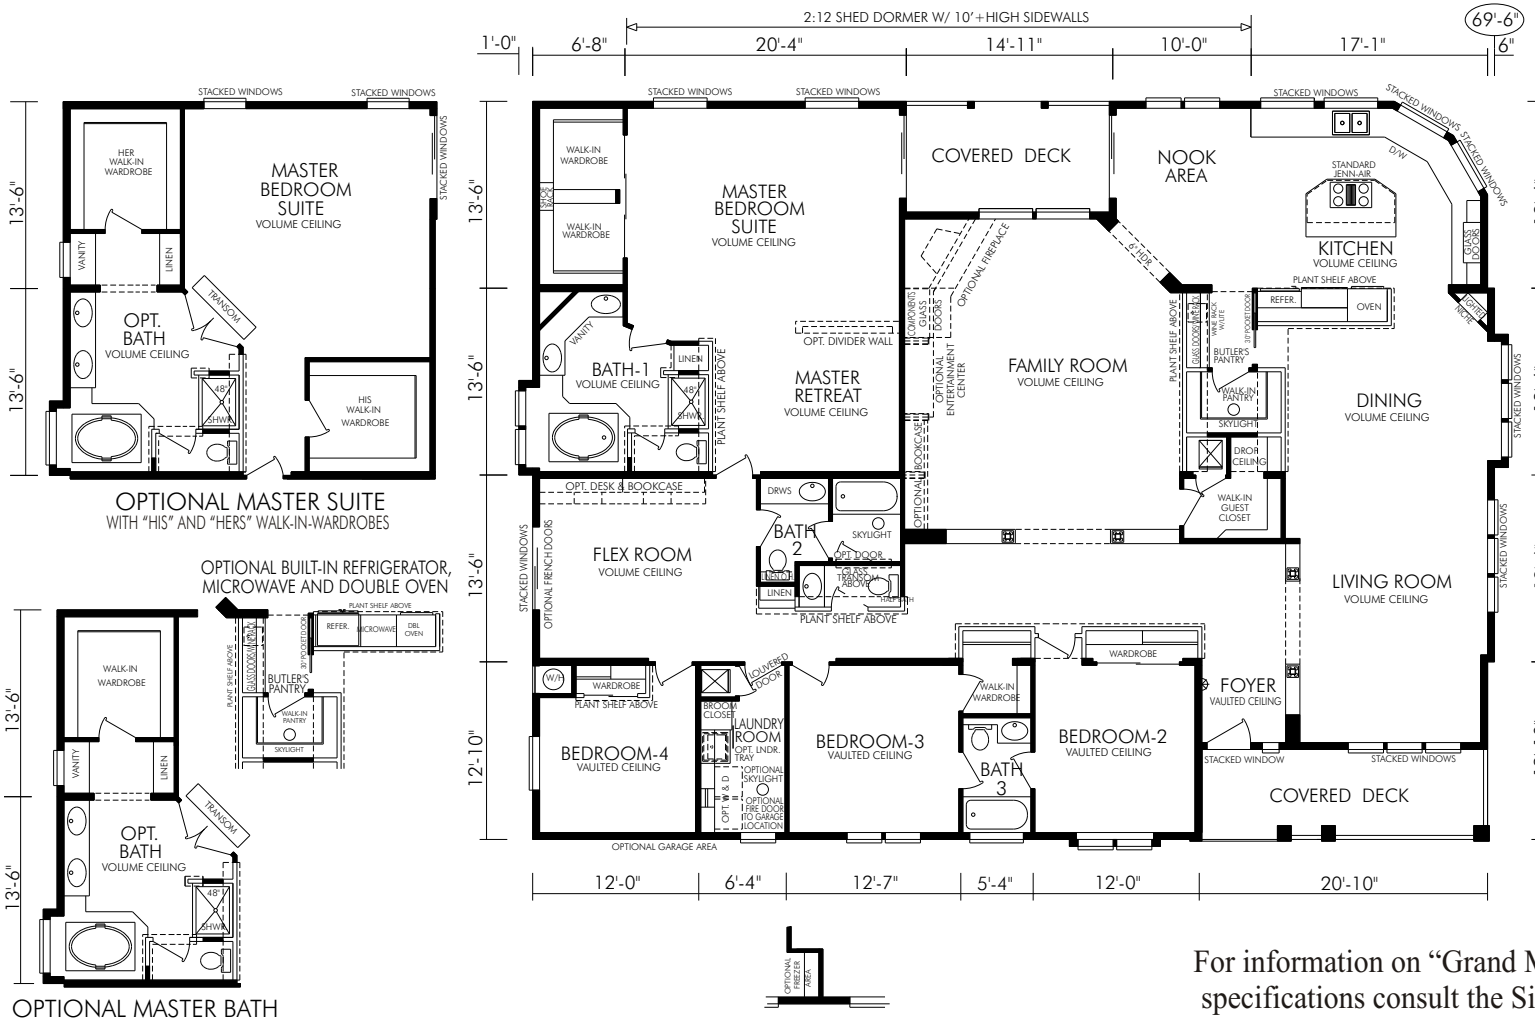
Simply BUILDS THE BEST



The Manor "Estate" Series are plans designed with a focus on higher residential roof pitches and dramatic 10' volume ceilings. Models ME-19 and ME-20 are standard only as "Estate Series" homes. Other plans in the Manor Series are available with Manor "Estate" specifications.

Additional "Estate" specifications include:

- Full 4:12 roof (Partial site installation required. 2:12 sections noted)
- Architectural style 30 year Class A fiberglass shingles
- Dramatic 10' ceilings in most rooms
- Dual zoned heating for customized climate control with 2 high efficiency furnaces.
- Full residential vented eaves and gable attic vents (eliminates most unsightly roof vents)

For information on "Grand Manor" plans available with "Estate" specifications consult the Silvercrest Retailer in your area.
